# BALLPARK FAVORITES: BURGERS & BRATS

*These now famous burgers are at least 25% bigger than hamburgers we've seen anywhere else! DO NOT attempt to lift these burgers with one hand without extensive strength training and conditioning. Unless we change our mind or sneak something else in the fine print, the burgers are served with lettuce, tomato, onion and a pickle spear.*

<b>WEST TOWNE BURGER</b> .....	<b>7.99</b>
The perfect burger for the hamburger "purist", i.e. no stuff to get in the way of that all beef flavor. Charbroiled to perfection. It's OK to add cheese, which we don't count as "stuff." (50¢ extra)	
<b>TOWNE BACON CHEESEBURGER</b> .....	<b>8.49</b>
Covered with your choice of American, cheddar, provolone or Swiss cheese, and crisp apple-smoked bacon. This was going to be our signature burger so we spent a small fortune on consultants to come up with a totally original name.	
<b>CARIBBEAN BURGER</b> 🍷.....	<b>9.49</b>
Smothered with our special barbeque sauce and topped with mango salsa, melted cheddar cheese, and two strips of bacon. The 'Caribbean' part means you forget about everything once you've eaten this burger! No problem, Mon!	
<b>THE PATTY MELT</b> .....	<b>8.29</b>
No menu is complete without it. A juicy all-beef patty with a combination of grilled onions and melted Swiss, served on grilled marble rye slathered with thousand island dressing. Our spin on this all-time favorite.

Topped with two strips of pepper-crusting bacon and creamy melted bleu cheese. This burger really packs a punch!

Served with caramelized chipotle onions, bacon, lettuce, tomato and guacamole. Now that's a mouthful!	
<b>SKIPPY BURGER</b> 🍷.....	<b>8.65</b>
Yes, you read it right. We slather chunky peanut butter on one of our juicy burgers and top it with bacon and a slice of provolone cheese. Surprisingly delicious!	
<b>KC SLAW BURGER</b> 🍷.....	<b>8.89</b>
This burger is as much fun as a Southern barbeque! We top a grilled burger with smoked ham, Swiss cheese, coleslaw and BBQ sauce. You've never tasted anything like it!	
<b>MAPLE-MUSTARD GLAZED BRATWURST</b> .....	<b>6.75</b>
A tender, juicy brat brushed with a maple-mustard glaze, lightly scored, grilled to perfection, and nestled in a hoagie bun with kraut to top it off. Talk about a SCORE! <b>Add garbage....1.00</b>
